

Become an Artist Member of NAC!

The Norwich Arts Center has a goal of signing up 100 Artist Members!

Anyone can be an Associate Artist, and there is no time commitment—just annual dues of \$50. Artist members may exhibit in the Annual Artist Member show in July (**no fee, no jury**), and are entitled to reduced entry fees to the Artistic Wanderings exhibit in August, the Photo Show in May, and the Holiday Show in December. You also get reduced pricing on most events in the Donald L. Oat Theatre. Additionally, we will place information on our web page about you and your artwork. And you can brag about your membership on your art resume! Meet other artists and connect to the arts community in this very important way. Learn about other opportunities to showcase your art, and become inspired to create!

If you are an Elected Artist at another art organization, you can become an *Elected Artist* at NAC! Annual member dues for Elected Artists are \$150—which entitles you to a solo or 2-person show every 2 years! There is a time commitment involved for Elected Artists—normally you will need to gallery sit about once a month for 4 hours, sometimes twice—and to help out in some other way, such as typing labels, hanging a show, and providing snacks for openings. Not an Elected Artist elsewhere? We can admit you via portfolio review.
